Other Points to Remember

- Fees: The only fee involved is to cover our expenses. Some of these dogs require extra medical care or special rehabilitation which will entail much greater expense. We do not require, but would appreciate an extra donation to help cover these expenses. The adoption fee will be as follows:
 1. Up to age 2: \$300
 2. 2 to 8: \$200
 3. Over 8: \$150
 4. Senior dog to senior human (65+): \$100
- Spaying/Neutering: Some Shelties relinquished to us have already been altered however some will be in need of the altering operation. It is a requirement that all Shelties placed for adoption by Maine Sheltie Rescue be spayed or neutered.
- Contracts: All adopters of rescue dogs will be asked to sign an Adoption Agreement. This contract is legal and binding. **Please read it carefully.**
- Miscellaneous: We recommend you follow a regular inoculation program established by your veterinarian to guarantee your dog stays healthy. You will receive a complete medical history on your shelties, as best as can be determined or documented. You must also have the dog licensed in accordance with the laws where you live. Since we do not know you personally, the information from the Adoption Request Questionnaire (which is requested of anyone seeking a rescue sheltie) will help us to match up the right kind of sheltie for your family. We place our shelties only in good, loving homes, and we screen prospective adopters thoroughly.

IMPORTANT: MSR reserves the right to refuse any application.
